CHILD PROTECTION POLICY

We in Cregagh Primary School have a primary responsibility for the care, welfare and safety of the pupils in our charge and as a result we will take reasonable steps to ensure that their welfare and safety is preserved.

Mrs Pearson is Designated teacher with overall responsibility for child protection and Mr Higginson is deputy Designated Teacher.

There are clear procedures in place to be followed where the school has been alerted to possible abuse. These procedures provide for a second member of staff to assume responsibility if the Designated teacher is absent or is the subject of an allegation.

All staff (teaching and non-teaching) should be aware of signs of abuse, be alert to these and also be aware of procedures to be followed. To this end Child Protection Training will be given to all staff on a regular basis.

In the event of an allegation being made the designated teacher and or Principal will if necessary make a referral either to Social Services or Police.

Safeguarding and Child Protection

Safeguarding is more than Child Protection. **Safeguarding** begins with *promotion and preventative activity* that enables children and young people to grow up safely and securely in circumstances where their development and wellbeing is not adversely affected. It includes support for families and early intervention to meet the needs of the children. **Child Protection** refers specifically to the activity that is undertaken to protect individual children or young people who are suffering, or are likely to suffer significant harm.

Cregagh Primary School has established a school safeguarding team which includes the Principal, the Designated Teacher, Deputy Designated teacher, Designated Governor (Rev. John Herron) and Chairman of the Governors (Rev. Adrian Green). This team meets on a regular basis to discuss and monitor on going safeguarding within the school.

The School will also work with a number of Agencies to promote Safeguarding. These will include:

- NSPCC *Staying Safe* and *Speak Out, Stay Safe* Programmes
- Women's Aid Helping Hands Programme
- The Outer South and East Belfast Family Support HUB
- Love for Life

Principles for the Protection of Children

1. The welfare of the child is paramount and overrides all other consideration;
2. All children have the fundamental right to be protected from harm;
3. Careful consideration must be given to young children who have special educational needs as such children may be especially vulnerable;
4. Children have the right to be heard, listened to and taken seriously, and to be consulted according to his/her age and understanding about the proposed action;

5. Where child abuse is suspected it is the responsibility of the Principal to ensure that the appropriate reporting and recording procedures are set in motion as quickly as possible. This will normally involve Social Services or the Police and the designated officer of EA-SE;
6. The school will maintain a summary of child protection arrangements including arrangements for parents to report concerns. These will be circulated to parents at the start of each new full-term;
7. Children in Cregagh Primary School should be aware of what they should do and who to go to should they need advice.

<p style="text-align: center;">PROCEDURE FOR REPORTING AN INCIDENT OF SUSPECTED/DISCLOSED CHILD ABUSE IN SCHOOL</p>
--

- If a child makes a disclosure to a member of staff, which gives rise to concerns over possible abuse, or if a member of staff has concerns about a child, the member of staff must act promptly;
- He/she should not investigate but should report those concerns to the Designated Teacher (Mrs Pearson), and discuss the matter with her and make full notes;
- The Designated Teacher will discuss the matter with the Principal to plan a course of action and ensure that a written record is made;
- The Principal with the Designated teacher, will decide whether, in the best interests of the child, the matter needs to be referred to Social Services;
- The Principal may seek clarification or advice and consult with the EA (South Eastern Region's) Designated Officer or the Senior Social Worker before a referral is made. No referral will be made without fullest consideration and on appropriate advice;
- Where there are concerns about possible abuse the Principal will inform: Social Services and EA's Designated Officer;
- If there are concerns that the child may be at risk, the school is obliged to make a referral.
The safety of the child is our first priority.

Complaints of possible child abuse about a member of Staff

- If a complaint of possible child abuse is made against a member of staff, the Principal or Designated Teacher must be informed immediately. The above procedures will apply.
- Where the matter is referred to Social Services the member of staff will be removed from duties involving children and may be suspended.
- If a complaint is made against the Principal, the Designated Teacher must be informed immediately. She will inform the Chairperson of the Board of Governors and they will ensure the necessary action is taken.

How can a parent raise a concern about his/her child's or another child's safety?

- Parents may make known their concerns about their (or another) child's safety by speaking to the class teacher, Mrs Pearson (Designated Teacher) or Mr Heggarty (Principal).
- Once a concern has been voiced the Designated Teacher will agree to keep the parent informed on the progress and outcome of their complaint.
- Should the parents be dissatisfied with the outcome, he/she may speak directly to the Principal and /or the Chair of the Board of Governors.

Referral to Social Services

Cregagh Primary school will undertake referral to Social Services under the following circumstances.

- A child discloses or there is evidence of suspected sexual abuse.
- A child discloses or there is evidence of suspected physical abuse.
- A child discloses or there is evidence of emotional abuse.
- A parent presents as being under the influence of either alcohol or drugs.
- There is sufficient cause for concern that a child's physical needs are being neglected.
- Any suspicion of Domestic Violence within the family home will be reported to social services.
