support services*

*Resources to support dealing with
devices at home – security and safety*

Wellbeing Resources

Parents/Carers – How to access and log on to the app?

1. Download the Safer Schools NI app
2. Allow notifications to your phone or device
3. Choose Parent/Carer option on the app
4. Create a Safer Schools account with a username and password – click 'Register here'
5. Search for 'Cregagh Primary School' in the list then click continue
6. You will need to enter a 4-digit passcode which is: **0211** (this number is for parents/carers only)
7. You may add another school at this point if you have another child elsewhere.
8. Click the school you wish to visit and you will have arrived at the school's dashboard.
