

# The Wee Friday Note

## Friday 10<sup>th</sup> November 2023

In Flanders Fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

### 1. Industrial Action on Thursday 16<sup>th</sup> November & impact on school

Unions representing non-teaching staff have called for a day of industrial action (strike) on Thursday 16<sup>th</sup> November. Non-teaching staff are support staff that are essential to the safe and effective running of schools, and they do many different roles within our schools. As a result of this action taking place, Cregagh PS, like many other schools, will not be able to operate due to a shortage of key staff. Consequently, Cregagh PS will be closed to ALL pupils on Thursday 16<sup>th</sup> November.

### 3. Rise & Shine & Be on Time!

Remember, classroom lessons at Cregagh PS start at 8:55am (not 9am) 😊

### 4. Christmas Trips

Every December, our P1-3 children go to the cinema to enjoy a festive movie and the older children visit the pantomime. Because these trips are quite expensive (although we try our best to keep the costs down as much as we can), we like to give parents the facility to pay for the cost of these trips off in smaller instalments. This can be done online using the *ParentMoney* App for the P4-7 pantomime trip and the P1-3 cinema trip.

### 5. School Fund

School Fund remains at £20 *per family* per school year. This can be paid through our online payment system School Money in either one or several instalments. Speak to Miss Murphy our school secretary (90 401246) if you need help doing this. Thank you to everyone who has already paid some or all their school fund contribution – it is greatly appreciated.

- *We are overjoyed with how [redacted] has settled in. We cannot thank you enough for making her feel so welcome and part of your wonderful community*
- *More learning support is needed but I understand that this is a funding issue within the EA but children are suffering as a result. My children are happy in the school and I would highly recommend Cregagh Primary School*

**School Response:**

*Thank you very much for your responses; which will all be given careful thought. Overall., we are very pleased & it is so nice for staff feel appreciated.*

- *The idea of a "music day" (or similar) will be explored and hopefully we can do something with this.*
- *The last response does a very good job of highlighting the lack of funding across Northern Ireland's schools & its impact. We would certainly love to be able to provide additional Learning Support hours; this year it was very difficult to provide 3 days. I would stress that all children receive "learning support" from their class teachers, as work is differentiated for all pupils. No child is left floundering. Out-of-class Learning Support does not make a difference to all children, but it certainly can to others. Certainly, more funding would allow us to provide additional teaching hours for children who we know would benefit from their assessment data and classroom observations.*
